BE AN ADVOCATE

To create positive change we need to BE an advocate. Being an advocate requires action. Through collaboration and partnerships we will provide training and educate, partner with communities to support their efforts to end Human Trafficking, support individuals trafficked, provide community linkage and share resources to assist service providers in Ohio.

Human Trafficking preys on vulnerable individuals in our communities through Force, Fraud and Coercion.

This publication was supported by grant number 2018-VOCA-109850596 awarded by the office for Victims of Crime, Office of Justice Programs, U.S. Department of Justice, through the Ohio Attorney General's Office.

Victims of Federal Crimes will be served.
